

2025 Annual Sponsorship Information Packet

**April 24, 2025
Annual Spring Dinner
Gibson's Steakhouse ~ Oak Brook, IL**

**October 23-24, 2025
Fall Summit ~ Chicago, IL**

NEW LOCATION!
American College of Surgeons ~ Chicago

OUR MISSION...*Our mission is to improve the health and quality of life of individuals struggling with obesity through safe and effective bariatric surgery and a multidisciplinary team of medical professionals. We strive to advocate for people with obesity and ensure access to the highest quality of care. This is accomplished by continuously improving the care and treatment of people suffering from obesity through continuing education and innovation while fostering communication between health professionals on obesity. Our goal is to empower patients with the tools and knowledge they need to achieve long-term success in their weight loss journey.*

As part of our mission, our organization of bariatric surgeons, non-surgeon physicians and allied health professionals, hosts two educational programs annually for its members and non-member health care providers: A spring dinner featuring a relevant keynote speaker and a two-day Midwest Educational Summit of which both programs offer CME and continuing education credits.

Combined, the two events bring together over 250 colleagues from surrounding states including Indiana, Iowa, Michigan, Nebraska and Wisconsin who benefit from these outstanding programs. Our 2025 Spring Dinner will be held in Oak Brook on Thursday, April 24th at Gibson’s Steakhouse and our Fall Educational Summit will be held in downtown Chicago at the American College of Surgeons October 23-24 allowing you ample opportunity to market your organization’s services. Join us as we celebrate our 11th year elevating excellence in education and outstanding networking – Become a sponsor in 2025! You can be assured it will be time (and, yes, money) well spent.

Why You Should Sponsor/Exhibit

- ✓ Since its inception, the Spring Dinner and the Fall Educational Summit each welcome between 125-150 attendees and in 2025, our goal is to raise attendance by 10-15 percent!
- ✓ Combined over 250++ unique professionals will attend the two events in 2025
- ✓ Of the paid registered attendees, 60% are surgeons and 40% are allied health professionals -- all people who value learning more about your organization
- ✓ Every year, attendees from across the Midwest attend representing nearly 100 unique organizations (see attached historical list of participating organizations by company and job title)

We know you will find your involvement as a participant and exhibitor an excellent opportunity for your organization to meet our members and guests. To confirm your participation, please send your commitment form attached. Upon receipt, we will also request that you complete a Letter of Agreement as required by the ASMBS.

Thank you in advance for your support. If you have any questions, please contact our Executive Director, Christine (Chris) Glatz at cglatz@managementservices.org or call 815-806.4908.
